

## MS/MBA Program Plan

The MS/MBA Program Plan should be filled out after consulting with your SEAS faculty advisor. The completed form should be discussed with and approved by your advisor before it is submitted for consideration by the Committee on Higher Degrees (CHD). This form must be submitted to Abby Rahn in the Office of Academic Programs by April 1 of your G1 year.

### INSTRUCTIONS:

Please TYPE the form on p2; you will be asked to resubmit if a hand-written form is received.

List three letter-graded, 4-unit courses that will fulfill the technical elective requirements for your MS/MBA degree, as described on the [SEAS website](#).

Include a brief explanatory statement:

- The statement should justify the inclusion of each of your three technical electives (either three 200-level SEAS or SEAS-equivalent technical electives, or two 200-level SEAS or SEAS-equivalent technical electives AND one 200-level FAS technical course or G-level MIT technical course).
- Non 200-level/G-level courses MAY NOT be included.
- If you would like to include one or more sets of courses to be reviewed by the CHD as a contingency plan, please list them on the explanatory statement (please list them in sets of 3).

### ADVISOR'S APPROVAL AND SUBMISSION GUIDELINES

Your SEAS faculty advisor must approve your course selections. Students can collect an original signature and submit a hard copy of this document to Abby Rahn in the Office of Academic Programs.

Alternatively, students may email a copy of the completed form to Abby Rahn in the Office of Academic Programs at [abbyrahn@seas.harvard.edu](mailto:abbyrahn@seas.harvard.edu). Student must copy the advisor and request that they respond confirming that the plan has the advisor's approval, in lieu of a physical signature.

## MS/MBA Program Plan

**Student Name:**

**SEAS Faculty Advisor:** Rob Howe

**Student Email Address:**

**Date Submitted:**

List disciplinary courses:

	Course #	Course Title	Instructor	Term/Year	Grade
