Term:

Area*:

*If you are an IACS student and/or intend to enroll in AC 299r, please contact Daniel Weinstock in IACS

INSTRUCTIONS:

- Register for your 299r in [my.harvard](https://my.harvard.edu).
- Return the completed form to the SEAS Office of Academic Programs **by the Course Registration Deadline** each semester.
- Registration deadline dates can be found in the [FAS 10-Year Calendar](#) for each academic year.
- It is suggested that the student and course advisor meet weekly or bi-weekly to discuss progress.
- 299r courses are letter-graded.

TOPIC TO BE COVERED IN THE COURSE:

Please provide an outline of the goals of the independent study and the major themes. Use an additional page if necessary.

COURSE MATERIALS AND/OR DELIVERABLES:

List of texts, reading materials, and/or research articles that will be read or description of experiments or other work that will be performed. Use an additional page if necessary.
