

Course Petition Form for Engineering Concentrations

This form is for all petitions in the Biomedical Engineering AB, Engineering Sciences AB & SB, Electrical Engineering SB, Environmental Science and Engineering AB, and Mechanical Engineering SB concentrations.

INSTRUCTIONS: Discuss your petition plans with your ADUS. Fill in all required information on this form, attach any necessary supporting documents, and submit to your ADUS.

DEADLINE: This form is due by the second day of course enrollment period (1/14 Noon ET for Spring 2022). All petitions received by the deadline will receive a decision by the last day of the course enrollment period. Petitions may be submitted on a rolling basis throughout the semester, and petitions received after the deadline will be processed as efficiently as possible, but may not receive a decision for up to 60 days.
