Westervelt lab follow-up report

Date: 12/12/2012

Safety Officer: Sagar Bhandari

New emergency guide is put on room 204. Regarding untidiness in room 204, a lab clean up will occur soon. PPE assessments have been put next to the emergency guide in each room. Room 212 will be used as lab space and all the lab members have been informed. So no drinks or food will be allowed in room 212.
