Plan of Study/Degree Program for the Part-Time S.M. Degree

Instructions

1. This form must be filled out in consultation with both your field adviser and Committee on Higher Degrees adviser.

2. List eight half courses, one or two per semester.

3. Attach an explanatory statement on a separate page demonstrating that the program has a coherent purpose and achieves both breadth and depth of preparation in furtherance of that purpose. The statement should justify the inclusion of any 100-level courses and of any 200-level courses not offered by the SEAS; 300-level courses MAY NOT be included.

4. Designate subject of degree (i.e., Applied Mathematics, Applied Physics, Computer Science or Engineering Sciences).

5. This form must be submitted to the Academic Office on or before the end of September, and a new plan of study should be filed whenever there is any change in the plan already approved.

4. Please type or use BLACK INK to facilitate copying.
