Description of your 99r Thesis Research

Please answer the following requests, using additional pages, and attach them to this form.

[1] 99r Topic: Describe the topic you plan to investigate and model. Include a general description of the mathematical content of your project.

[2] Schedule: Indicate anticipated times at which you will meet with your sponsor.

[3] Sponsor Statement: Attach a statement signed by your 99r sponsor describing the expectations for your work for the semester.

Signature of (A)DUS: ____________________ Date: ____________________

After you have gathered the signatures above, submit this form electronically, with attachments, to am-advising@seas.harvard.edu. In addition, submit the hard copy to the Office of Student Affairs, Pierce 110. Registration for 99r will be approved once the fully signed form has been submitted.
